**PETITION FOR REVIVAL OF APPLICATION FOR PATENT  
ABANDONED UNINTENTIONALLY UNDER 37 CFR 1.137(b)**

Dear Sir:

This patent application was assigned to BP Corporation North America Inc., when it was filed. Subsequently, many of the chemical assets, including this patent application, were spun off by BP Corporation North America Inc. to a newly-formed corporation, Innovene USA LLC, on April 1, 2005. On that same date, Innovene and the undersigned moved their office from BP Corporation's office at 4101 Winfield Road, Warrenville, Illinois 60555 to 200 E. Randolph Drive, Chicago, Illinois 60601. Mail concerning Innovene's patent applications, including this application, was to be forwarded from BP Corporation's Warrenville, Illinois office to Innovene's Chicago, Illinois office.

On April 1, 2006, Innovene and the undersigned moved their office again, this time from 200 E. Randolph Drive, Chicago, Illinois to 4225 Naperville Road, Lisle, Illinois 60532. Mail for Innovene that was delivered to the 200 E. Randolph Drive, Chicago, Illinois address and was to be forwarded to the 4225 Naperville Road, Lisle,

Illinois address. No Innovene personnel remained at the 200 E. Randolph Drive, Chicago, Illinois office after April 1, 2006.

For some reason unknown to the undersigned, the Office Action for the present patent application which was mailed from the U.S. Patent and Trademark Office on March 16, 2006, was never received by Innovene or the undersigned. The Office Action was mailed to Ms. Carol Wilson of BP America Inc. at 4101 Winfield Road, Warrenville, Illinois and should have been forwarded to the 200 E. Randolph Drive, Chicago, Illinois address and then again should have been forwarded to the 4225 Naperville Road, Lisle, Illinois address.

In recent conversations with Ms. Wilson, she has confirmed that she has no record of receiving or forwarding the March 16, 2006, Office Action to Innovene or the undersigned. (Note: It was her practice at that time to maintain a copy of all documents forwarded to Innovene and also to record a receipt of the Office Action on a shared docket database. Neither event occurred). It is unknown at what point in this process the failure to forward the Office Action occurred. All that is known is that neither Ms. Wilson at BP, Innovene nor the undersigned received the March 16, 2006 Office Action.

The undersigned learned that the March 16, 2006 Office Action was missing only in October 2006, when a "Notice of Abandonment" was received.

The undersigned respectfully submits that the failure to respond to the March 16, 2006 Office Action was unintentional and requests that the U.S. Patent Application No. 09/920,981 revived.

Respectfully submitted,

David P. Yusko
